Intex build with confidence

The team behind every build

Our Engineering Team works with builders, architects and contractors to reduce material's, minimise labour costs and optimise project outcomes through smarter design solutions.

Contact Engineering

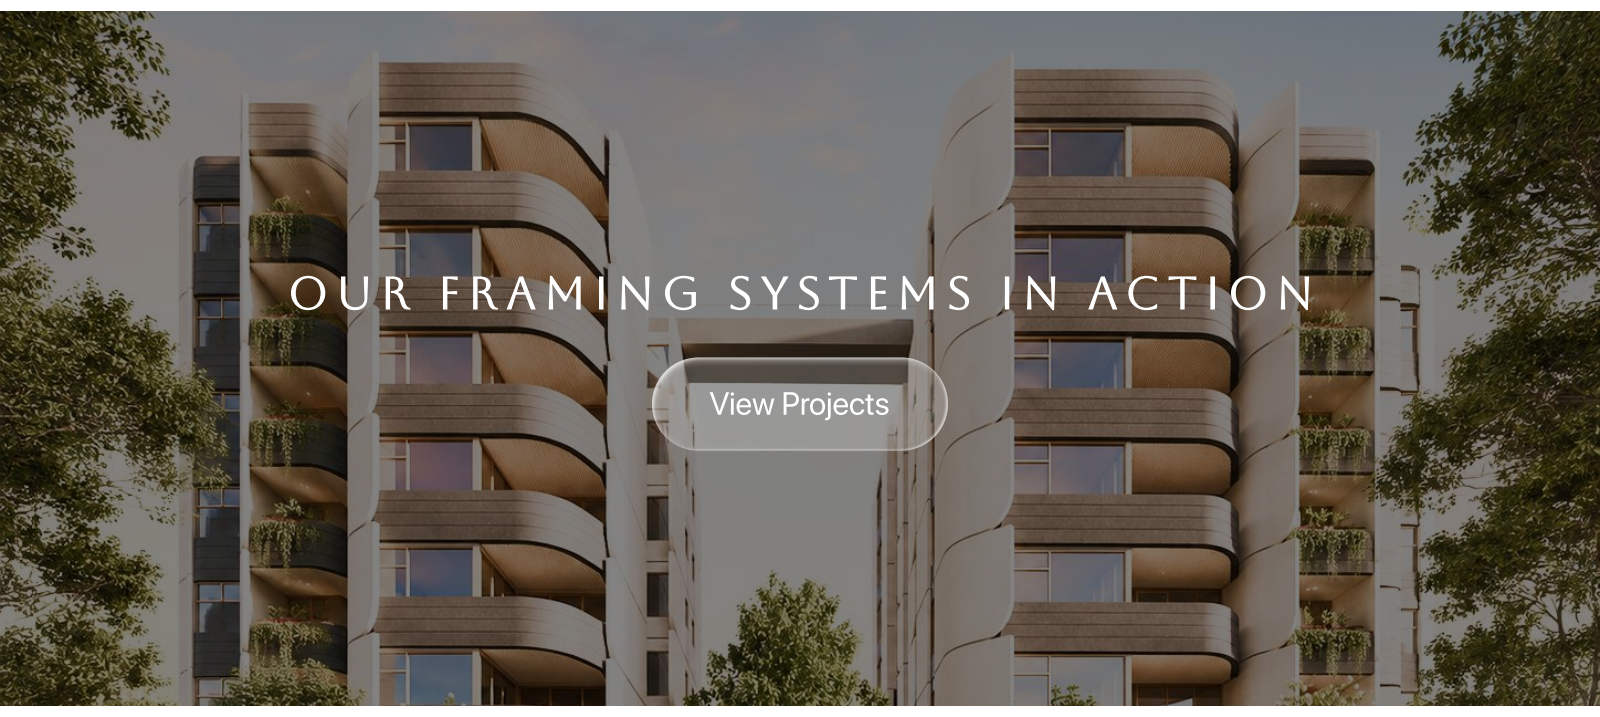
From design development through to delivery, our Engineering Team helps you find smarter ways to build.

Identify opportunities to optimise designs, reduce material waste & improve installs.

Develop tailored engineering solutions to suit your project's requirements.

Provide technical guidance to navigate specifications & identify design efficiencies.

In-house engineering expertise to support compliance and certification requirements.



Let us supply your next project!
